Dear WAA Parents,

As part of our instructional program, our students follow the assessment guidelines mandated by the Florida Department of Education (FLDOE). Just as student within the Duval Public School District, our students will be formally assessed three times this school year to monitor their learning progress. This assessment is called the Florida Assessment of Student Thinking (F.A.S.T.). Please see the chart below so you can be aware of which assessment your child will take during this **second assessment window** and the approximate dates in which the assessment will be given. Please make sure your child is present and on-time for these assessments. As always, we will provide breakfast in the morning from 7:15 – 7:45. You will receive notice of the 3rd and final assessment window in April.
